

## **Dr. Faisal Abdul Aziz**

- Party activist at Kaki Bukit Branch since 2015.
- Passionate about fostering respectful dialogue around complex issues in Singapore, contributing to a more caring and empathetic society, through organising dialogues with Young PAP and the PAP Malay Affairs Bureau.
- An advocate for preventative healthcare, and for addressing inequalities faced by the lower-income groups in Singapore, so as to improve social mobility. He has organised multiple events within Kaki Bukit to promote healthy lifestyles and disease prevention, as well as to raise awareness for Healthier SG.
- Serves the Muslim community through volunteering in mosques and various Malay/Muslim organisations, currently as the Assistant Secretary of the Mosque Management Board at Angullia Mosque.
- Member of the School Advisory Committee at Bedok South Secondary School – his alma mater – where he regularly speaks to students to encourage them to dream big and pursue excellence in everything they do.
- Clinical Director (Dental) and Dental Surgeon at Nuffield Holdings. He is also a member of the Singapore Dental Association and sits on its Ethics Committee.
